THE TWO-PARTY SYSTEM FAILED AMERICA.

IT'S TIME FOR **REDEMPTION.**

REAL
PEOPLE.
REAL SOLUTIONS.
REAL CHANGE.

For too long, career politicians in both parties have put power before people, divided us for their own gain, and ignored the real issues facing our communities.

The USA Redemption Party is here to unite Americans in a movement of common sense, constitutional values, and local empowerment.

THIS ISN'T LEFT. THIS ISN'T RIGHT.

THIS IS FORWARD.

OUR TENETS. A STRONGER AMERICA.

FISCAL RESPONSIBILITY

We believe in honest budgets, limited spending, and protecting taxpayer dollars. We will end waste, fraud, and corruption and balance the budget.

LIMITING FEDERAL GOVERNMENT TO EMPOWER LOCAL GOVERNMENT

We believe power belongs to the people — not Washington. We will return authority to states, counties, and cities so decisions are made closer to home where they belong.

ONE COMMUNITY AT A TIME

Real change starts at home. We empower individuals and communities to take ownership of their future and build stronger, safer, and more prosperous neighborhoods.
